

# milestones

## BIRTH

Our ministry welcomes and celebrates a baby's birth with our families.

## BAPTISM

Baptism is the way we welcome babies into Christ's family. It happens four or five times annually on the Sunday after Easter, All Saints, Epiphany, Pentecost, and Transfiguration Sunday.

## COMMUNION

Communion for children can be taken at any age, but instruction is given in a parent/child class for children who are four or five years old. As a part of this experience, families discover the what, why, and how we do communion.

## 1ST GRADE BIBLES

1st Grade Bibles includes an age appropriate Bible presentation in worship to the child.

## MOVE TO PRE-TEEN

Move to Pre-teens happens after our 3rd graders complete the school year. We mark the move into pre-teen ministries for 4th and 5th graders as a very special transition time.

## WELCOME TO YOUTH GROUP

6th graders are invited to "cross the road" and officially join the youth ministry.
